

## SCHEDULE

### SOLID WASTE, RECYCLING, AND YARD TRASH WILL BE SERVICED ON THE SAME DAY.

Your basic service level will be one time per week garbage pickup with a 96 gallon cart. A 64 gallon cart will be provided for all of your recyclables. Yard debris pickup will be on the same day. Items must be curbside before 6am

### SOLID WASTE (GARBAGE PICKUP)

Waste Pro will be utilizing automated side load trucks to collect your solid waste. This means that the driver picks the cart up with a mechanical arm located on the side of the truck.

Occasionally, one or two bags of garbage may be placed next to the cart if it does not fit inside, but we ask that you make every effort to place all garbage inside your cart. If you continually have extra bags we ask you to call to receive a second solid waste container for a one time fee of \$60.

## Leon County Services

We are honored to have you as a valued customer. This guide will give you answers to questions about your new service. Please keep this guide handy as a reference to questions that you might have. You will find much more information on the Leon County website. The website address is [www.LeonCountyFL.gov/curbside](http://www.LeonCountyFL.gov/curbside)

**(850) 606-1899**

## CART PLACEMENT

### CART PLACEMENT

When placing your garbage and recycling carts out for service please place them at least three feet apart and away from things such as mailboxes. In addition, please find a spot at road side that is free of overhead obstructions, such as limbs and power lines. The automated trucks that will be servicing you cannot pick up carts unless they are far enough apart, and free of overhead obstructions. Place the containers at the road with the handle facing the house. After service, return your carts to your residence until the next service day.

### RECYCLING

Leon County and Waste Pro are proud to offer single stream recycling services to our customers. Utilizing the green 64 gallon cart (instead of bins), you will be able to put all of your mixed recyclables in one container. Included in the list of things that you can recycle are paper products, plastics,

We ask that you consider containerizing yard debris or putting debris in paper bags. Please protect your environment and do not use plastic bags!

## OTHER INFORMATION

## OTHER INFORMATION

glass, aluminum, and tin. For a more comprehensive list of materials, please refer to the Leon County website link. It will also include items that are not recyclable

### YARD DEBRIS

Yard debris piles can be no longer than 6 feet in length, 4 feet in height, and 4 feet in width. Individual pieces must not exceed 6 feet in length and 4 inches in diameter. Containerized yard debris shall not exceed 50 pounds per waste container. Large branches, trees, or bulky or non-containerized yard debris that do not meet these specifications may not be picked up. Material left at residences by tree surgeons will not be picked up. Larger piles of yard debris may require a special truck to service, which can result in a chargeable pile. In order to be more environmentally friendly, plastic bags will be opened, with the contents put in the truck and the bags disposed of separately.

### BULKY ITEMS

Bulky items include white goods (washers, dryers, etc.) as well as furniture and other things that will not fit into your garbage cart. You must call to have these items picked up.

### PLEASE RECYCLE THESE ITEMS:

Containers and Paper • Plastics #1 through #7  
Aluminum • Steel • Glass • Cardboard  
Newspapers • Magazines • Mixed Paper  
Paperboard (flatten all boxes)

To schedule a pickup, please call our number at (850) 606-1899. Please allow up to seven business days for bulk item pick ups.

### WASTE PRO WILL OBSERVE THE FOLLOWING HOLIDAYS:

- New Years Day
- Martin Luther King Jr. Day
- Memorial Day
- Fourth of July
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Christmas Day

For the week in which a holiday occurs, collection shall be one day following the normally scheduled collection day for those days following the holiday.

### ADDITIONAL GARBAGE CARTS

Additional garbage carts can be obtained for a one-time fee of \$60, with no additional fees. Smaller 64 gallon carts can be swapped at no additional cost if you are unable to handle the larger 96 gallon cart. Bear proof carts can also be received for an additional fee. Waste Pro will consider a slight modification to your garbage cart to make it bear proof, but this must be approved ahead of time. Medical back door service will be provided where proof of a medical hardship exists.
